Happy Wednesday everyone! Hope you're all doing well! Today is a beautiful day, with lovely weather. We are certainly grateful for that, as we are getting a bit of a break from the scorching heat we had last week! Forecasters are predicting a hot summer. This week, the heat will continue to rise and hit 32 C by Saturday!

NHC's Office Re-Opening

We are still waiting (and waiting and waiting) on the installation of our glass barrier at the front counter. In the meantime, we have drop boxes at 130 Centrepointe, 2 Hammill and at our office at 16 Kilbarron.

Stage 3 Ontario Reopening

This week, Ottawa we enter into Stage 3 of reopening Ontario. In Stage 3, more business reopen and public gatherings increase to 50 indoors/100 outdoors. For more information on what that means, visit: <https://news.ontario.ca/opo/en/2020/07/nearly-all-businesses-and-public-spaces-to-reopen-in-stage-3.html>.

Mask Wearing

One week after Ottawa's Medical Officer of health ordered masks to be worn in all indoor public settings, Ottawa City Council will be voting today on a bylaw to enforce the rules. The proposed mandatory mask bylaw for enclosed public spaces includes a fine of between \$200 and \$400 for people violating the rules. Staff say the primary objective of the new bylaw is to "educate and inform" people about the need to wear masks, instead of issuing tickets. For more information on mask use, visit: <https://www.ottawapublichealth.ca/en/public-health-topics/masks.aspx>

Learning How to Live in Phase 3

As we enter Stage 3, one thing we must remember is that the pandemic is not over. Phase 3 is the beginning of a new phase of learning how to live with this virus. Our efforts to socially distance, wear a mask, hand washing, and stay home if we feel sick are the practices that got us to this point of entering in this phase. As more places re-open, remember to be COVID- Wise.

NHC Summer Camps

There are still some summer camp spots available for children ages 5 to 12 in August. We are offering programming in two areas: In the basement of the main office in Barrhaven and our Pallister community located in the CentrepoinTE area. If you would like more information on this year's summer program, please email: saradelloso@nepeanhousing.ca or contact (613) 823-8452 ex 119. Spots are first come, first served.

Attention All Drivers!

Please be aware that new photo radar cameras are now active in Ottawa. Four automated photo radar cameras will patrol the streets near school zones in Ottawa. Two of these cameras are fixed in place, while two will rotate across six different sites roughly every 45 days.
